### **Our History**

In 2006, Riddle's Court was placed on the at risk register. Scottish Historic Buildings Trust subsequently embarked on a landmark £6.4m restoration project to protect the future of this nationally important building.

Riddle's Court opened its doors, under the management of the Trust, following the completion of the capital works project in September 2017, ensuring the continuation of a 400 year legacy of life in Edinburgh.
